

At The Grove we take pride in our food and include the best of British ingredients. Our beef is selected from the Quantock Hills in Somerset and in and around the Exmoor National Park; in fact all our meat and poultry are sourced from the West Country; our venison from the Highlands of Scotland and our pork is Free Range. Where possible, we use British fruit and vegetables, although from time to time the weather forces us to substitute the best of British with produce from abroad.**
