6.2 All payments must be made by direct debit or another method that we agree.

We will not be holding the Deposit on trust for you. The fact that we hold a Deposit or make a withdrawal from it, will not prevent us from taking action against you for any breach of your obligations.
- 7.3 We may withdraw from the Deposit at any time:
- (a) any sums due to us which are overdue for 7 days; and
 - (b) the amount of any proper losses, costs or expenses we incur or payments we make due to a breach of any of your obligations

- 8.2 You will allow us to conduct any proceedings relating to the rateable value of the Property.

9 Service Charge

- 10.1 All payments under this Tenancy are exclusive of VAT and you must pay any VAT payable at the time the payment is made.
- 10.2 Where you are obliged to reimburse any costs or expenditure that we incur under this Tenancy, you must pay the amount equal to any VAT on those costs or expenditure to the extent that we cannot recover that VAT.

- 12.3 If we accept rent from another party, this does not imply that we have given a Consent to a transfer of this Tenancy to that party.
- 12.4 If we accept any payments after you have committed a breach of your obligations to us, this does not imply that we have waived your liability in relation to that or any continued breach of obligation.

Section 3

Rent Review

- Annual Indexation Review
- Open Market Review

13 Annual Indexation Review

On 1st April each year we will adjust the Rent by the percentage change in the Index since 1st April in the previous year. We will notify you in writing of any adjustment to the Rent. The Rent can go up or down but will not drop below the starting rent specified in the Key Points.

14 Open Market Review

14.1 We may review your rent to the Open Market Rent in the following circumstances:

- (a) if we serve a Release Notice on you under clause 41.
- (b) if under clause 41 we re-impose any of your obligations to purchase from us any products which we have previously released from the tie;
- (c) if your obligations to purchase Drinks from us, or your obligations to pay the Amusement Machine Contribution, become unenforceable.

If we wish to trigger a rent review we will do so by serving an Interim Review Notice on you containing our proposal for the Open Market Rent. We may serve an Interim Rent Notice as many times as the circumstances warrant.

14.2 Following us serving an Interim Review Notice we must both make reasonable efforts to agree the Open Market Rent. If we cannot agree the Open Market Rent by 1 calendar month after a Notice Date either of us may refer the matter to an Independent Expert (acting as an expert not an arbitrator) to determine the Open Market Rent in accordance with clause 14.4 below. If we cannot agree with you on the identity of an Independent Expert we may ask the President to choose one to act jointly on our behalf.

14.3 The Independent Expert must allow each of us to make reasonable written representations and one opportunity to comment on the other's representations and he must give reasons for his decision. We will share his fees equally between us.

14.4 The Open Market Rent is to be the best rent that a willing tenant can reasonably be expected to pay to a willing landlord for the Property in the open market assuming:

- (a) that the Property is let on the relevant Notice Date for a term of 3 years, without the payment of a premium on the same terms as this Tenancy except for the amount of rent but including the rent review provisions;
- (b) both we and you have performed our obligations in this Tenancy (as varied by a release of tie or side letter);
- (c) the Property is fully fitted out and equipped for use for the Permitted Use and the Business and that you hold all Licences and permissions necessary to run the Business and that these Licences and permissions

are fully valid;

- (d) that the Business is being conducted at the Property by a good average tenant experienced in the licensed retail trade;
- (e) that any damage by an Insured Risk has been reinstated;
- (f) that you can recover VAT;
- (g) that there is to be no reduction in rent to take account of any concessions available at that time in the marketplace on new lettings;
- (h) that in the case of a review arising under 14.1(a) you are no longer obliged to purchase the products from us that were released by the Release Notice that lead to the relevant rent review;
- (i) that in the case of a review arising under 14.1(b) you are obliged to purchase the products that we have been re-imposed under clause 41.2 as part of your purchasing obligations;
- (j) that in the case of a review arising under clause 14.1(c) any of your obligations which have been deemed unenforceable shall be treated as having been deleted from this Lease;

but disregarding:

- (k) any effect on the rent due to your occupation of the Property;
- (l) any conditions on or reduction in the activities permitted by the Premises Licence that have been imposed due to your default;
- (m) any effect of any improvements that you have carried out with our Consent to the Property unless you were required by law, or as part of your obligations to us, to carry out these improvements; and
- (n) any income that you receive from the Amusement Machines.

14.5 If the Open Market Rent has not been agreed within 3 calendar months of the Notice Date (whether or not it has been referred to an Independent Expert) either you or we can choose to request that the Independent Expert acts as an arbitrator (if suitably qualified), or refer the matter to another qualified arbitrator experienced in valuing public houses, who will act in accordance with the Arbitration Act 1996 and he will decide who will be responsible for his fees and his decision will be binding on us both.

14.6

- (a) In the remainder of this clause 14 we will refer to the new rent to be payable following the rent review as the "**Revised Rent**" and we will refer to the rent payable on the date immediately preceding the relevant rent review as the "**Current Rent**".

- (b) In the case of a review under clauses 14.1(a) and (c) the Revised Rent will be the higher of the Open Market Rent and the Current Rent.
 - (c) In the case of a review under clause 14.1(b) if the Rent has previously been increased due to a review under clause 14.1(a) and we are re-imposing your purchasing obligations in relation to those same (or similar) products, the Revised Rent may be higher or lower than the Current Rent provided that the Revised Rent must be no less than the Rent that was payable immediately prior to the previous rent review under clause 14.1(a).
- 14.7 You must pay the Revised Rent from the Notice Date. If we have not agreed the Revised Rent by the Notice Date you must continue to pay the then Current Rent until the Revised Rent has been agreed or determined at which point you must start paying the Revised Rent and:
- (a) if the Revised Rent is higher than the Current Rent you must pay to us on demand the difference between the Current Rent and the Revised Rent (plus interest at Base Rate) for the period from the Notice Date to the date of agreement or determination or;
 - (b) if the Revised Rent is lower than the Current Rent we will credit the difference between the Current Rent and the Revised Rent (plus interest at Base Rate) for the period from the Notice Date to the date of determination or agreement against your next rent payment.
- 14.8 When the new Revised Rent is determined we will both sign a rent review memorandum reflecting this.
- 14.9 We may choose to extend the timetables imposed by this Section.
- 14.10 An open market rent review occurring under this clause 14 will not prevent us from reviewing the Rent annually under clause 13.

16 Remedying Breach

If you do not comply with your repair and decoration obligations to us then in addition to any other rights we may have:

- (a) we may serve a notice on you specifying the breach; and

we will repair the Main Structure to the extent that we believe it is necessary.

- 21.2 We will not be responsible for damage due to your negligence or your failure to perform your obligations under this Tenancy.

Section 5

Insurance

- What we must do
- What you must do
- Suspension of Rent
- Termination Following Damage

22 What we must do

- 22.1 We will insure the Property (except for any fixed glass) at competitive rates taking into account the policy terms for the full reinstatement value (in our reasonable opinion), against the Insured Risks, to the extent that this insurance is usually available for properties such as the Property, subject to any exclusions and limitations which are usual in the UK insurance market. We will not be obliged to maintain insurance if the policy becomes ineffective due to a breach of your obligations.
- 22.2 If the Property is damaged by any of the Insured Risks, then as soon as all necessary labour, materials and permissions are available (which we will use reasonable endeavours to obtain) we will spend the insurance proceeds that we receive (except those relating to loss of rent) in reinstating the Property in a form (if practicable) that is reasonably equivalent to that existing before the damage (but we will not be obliged to provide an identical replacement). If the insurance proceeds or part of them are withheld due (partly or wholly) to your default we will not be obliged to commence reinstatement until you comply with clause 23.6.
- 22.3 Any proceeds of insurance received under a policy effected by us under this Tenancy or any amounts that you pay to us under your insurance policies, belong to us absolutely.
- 22.4 If you ask in writing we will provide a summary of the terms of our policy relating to the Property (but not more than once a year).

23 What you must do

- 23.1 You must insure for the full reinstatement value (in our reasonable opinion) the following items:
- (a) the Trade Inventory;
 - (b) any fixed glass at the Property;
 - (c) the effect on the value of the Property of the loss of the Licences;
 - (d) all trading stock and glassware at the Property;
 - (e) public third party property owner's and employer's liability; and
 - (f) the effect on the Business of loss of profit

against the risks that we require on the usual commercial terms with a reputable insurer, and you must note our interest on all the insurance policies. You must provide us, when we ask, with evidence that you have done this, and if you do not we may effect these insurances on your behalf and charge the cost to you.

- 23.2 You must tell us straight away if something happens which may lead to a

claim under any of our or your insurance policies relating to the Property or Business. You must spend any proceeds of insurance that you receive under the policies that you have taken out in relation to the Property or Business in repairing or replacing the items damaged. If the insurance proceeds are insufficient you must make up any shortfall yourself.

- 23.3 You must pay to us on demand all amounts that you receive under any insurance policy relating to the loss of the Licences.
- 23.4 You must comply with the conditions and recommendations made by our insurers.
- 23.5 You must not take any insurance policy out in relation to the Property which could prejudice our policies.
- 23.6 If any insurance proceeds are withheld because you have breached your obligations to us, you must pay to us on demand an amount equal to the sum withheld.

24 Suspension of Rent

- 24.1 If the Property is damaged or destroyed by any of the Insured Risks so that it is not fit for the Permitted Use, then (unless the insurance proceeds for loss of rent are withheld due to a breach of your obligations), the Rent (or a fair proportion of it if there is only damage to part of the Property) will not be payable from the date of the damage until the earlier of:
 - (a) the Property being reinstated; or
 - (b) the end of this Tenancy;

25 Termination Following Damage

- 25.1 If the Property is not fit for the Permitted Use within one year after the damage has occurred, either of us may determine this Tenancy by serving written notice on the other at any time until the Property is fit again for the Permitted Use.
- 25.2 If the Property is destroyed or so badly damaged that we reasonably believe that the damage cannot be repaired before the end of the Term, we may bring this Tenancy to an end at any time after the damage has occurred by giving you one month's written notice.
- 25.3 Any dispute under this paragraph shall be determined by an arbitrator under clause 56.

Following our purchase of the Trade Inventory from you we will own the Trade Inventory but may demand that you buy it back from us within 7 days at the price that we paid or the Inventory Value at that time, whichever is the higher. Section 7

Purchasing Obligations

- The Tie
- Purchase of Drinks
- Our Supply Obligations
- Damages
- Release of the Tie

37 The Tie

- 37.1 This Tenancy contains obligations upon you to buy goods exclusively from us. These obligations are intended to comply with Article 81 of the Treaty of Rome granted by EEC Regulation 2790/99.
- 37.2 You and we agree that these obligations are fair and lawful and that the Rent has been set having regard to these purchasing obligations and is therefore lower than you would reasonably be expected to pay if you were not obliged to purchase the Tied Drinks from us.

38 Purchase of Drinks

- 38.1 You must purchase from us (or, when we ask, from our Nominated Supplier) all Tied Drinks that you wish to sell from the Property, or otherwise as part of the Business.
- 38.2 You must not bring onto the Property without our consent (which will be within our total discretion) any Tied Drinks not purchased from us.
- 38.3 You must pay us for all goods supplied by us (or our Nominated Supplier where goods are supplied by it) in accordance with our then current standard terms of business (which we will notify to you from time to time) and at the prices in Our Price List.

39 Our Supply Obligations

- 39.1 We will use reasonable endeavours to supply or produce the supply of Tied Drinks in the quantities that you reasonably require for the Business.
- 39.2 If we are unable to supply you with any Tied Drinks for 10 consecutive working days and the lack of supply is prejudicing the Business, then when we receive your written application we will temporarily release you from your obligation to purchase those products from us until we notify you that we are able to supply (or procure the supply) of those products again. We do not need to provide this release if we have withheld these products from you because you have not performed your obligations to us.

40 Damages

If you breach your purchase obligations contained in clause 39 you must pay to us on demand as additional rent the Liquidated Damages for each Composite Barrel which you have bought or received in breach of your obligations. You and we agree that this is a genuine pre-estimate of our loss attributable to your breach. Your payment of the Liquidated Damages does not mean that you are released from any of your obligations to us under this Tenancy.

41 Release of the Tie

- 41.1 We may at any time decide to release you (in whole or in part) from your

obligation to purchase Drinks by serving a Release Notice on you. If you receive a Release Notice from us you will not be obliged to purchase from us the products identified in that notice but you will remain liable to purchase all other Tied Drinks from us.

- 41.2 We may decide to re-impose your purchasing obligations in relation to any of the previously released products at any time by giving you 10 working days' notice and from the expiry of the notice you will be obliged to purchase those products from us again. If we do this we will review your rent again to the Open Market Rent as set out in clause 14.

- (a) it is an emergency situation; or
- (b) we have reasonable grounds to suspect that you are in breach of your obligations

in which case we may break and enter if necessary.

42.3 When accessing the Property, we will take all reasonable care not to cause any damage to the Property and we will repair any damage that we cause to the Property in entering unless such entry was required as a result of your breach of obligation.

- (f) we may use the Property to provide support and protection to any nearby property, and we reserve all rights of light and air over the Property;
- (g) we may give a third party rights over the Property provided that the grant of those rights does not materially prejudice your use and occupation of the Property for the Business;
- (h) we may carry out works to alter the layout of or rebuild any nearby property and use it for any purpose and grant permission to others to do so, even if this affects the access of light and air to the Property;
- (i) we may connect into any Pipes or install new Pipes for the benefit of any nearby property; and

Section 10

Guarantee Obligations

- Guarantor's Obligations
- Extent of Guarantor's Liability
- New Leases

49 Guarantor's Obligations

- 49.1 Your Guarantor agrees that if you do not fully perform your obligations to us during the Term, your Guarantor will when we ask:
- (a) pay to us any monies that you have failed to pay;
 - (b) perform the obligations which you have failed to perform; and
 - (c) reimburse to us any losses, damages and expenses that we have suffered due to your breach.

 - (g) any rent review is properly implemented;
 - (h) we have any security which we may enforce against you; or
 - (i) there is anything else which would release your Guarantor from its liabilities unless we give consent to a release. If your Guarantor comprises more than one individual, we may release one individual without prejudicing our ability to enforce your Guarantor's obligations

against the others.

51 New Leases

51.1 If we bring this Tenancy to an end for any reason (except for surrender by deed), or a liquidator disclaims the Tenancy, or you become Insolvent, or (if you are a company) you cease to exist (and any of those events shall be referred to as the "**Termination Date**") then we may ask the Guarantor within six months of the Termination Date to take a new tenancy from us of the Property on the following terms:
